Section 1. Procedure

~~Each academic year, during the first week of scheduled development for the winter session or summer session, By the 6th week of instruction during the fall or spring semesters, respectively,~~ the Deans of the instructional divisions will provide **Full-Time** Faculty members who desire to teach, a tentative schedule and the opportunity to submit their requests for winter or summer session teaching assignments. The Deans of the instructional divisions will review these requests and will make tentative winter or summer session assignments to **Full-Time** Faculty members in their divisions based on the priority position of Faculty members in accordance with Section 2 of this Article.

Section 2. Priorities

(a) **Full-Time** Faculty Members shall have a preference in priority order in choosing among winter and summer session classes which are to be offered (which they are qualified to teach) and among the times the classes are offered.

(b) Each Dean shall determine, among those **Full-Time** Faculty Members by department in the division who request a teaching assignment during the winter or summer session, those who are qualified by virtue of prior experience and training for such assignments. ~~For ITV courses, preference will be given in priority order to Faculty Members who have taught ITV courses.~~ For purposes of this Article, a **Full-Time** Faculty Member will be considered a member of that department in which the **Full-Time** Faculty Member teaches the majority of **their his/her** teaching load, including overload, during the then-current academic year. No **Full-Time** Faculty Member will earn priority in more than one (1) department; however, priority in one department does not preclude a teaching assignment in another department. ~~For purposes of this Article, a list of departments will be developed and maintained by each division council~~

(c) (1) WINTER SESSION: A list of **Full-Time** Faculty Members by department in the order of their current year winter session priorities will be prepared and distributed to all the members of the division by each Dean within twenty (20) working days after the beginning of the spring semester.

(2) SUMMER SESSION: A list of **Full-Time** Faculty Members by department in the order of their current year summer session priorities will be prepared and distributed to all the members of the division by each Dean within twenty (20) working days after the beginning of the fall semester.

Any problems respecting the equitable application of departmental designation for winter or summer session priorities will be resolved by the concerned Dean and the President of the Federation, or designee, prior to June 1st for winter session and December 1st for summer session. The decision of the Dean and the Federation President, or designee, is final and binding and is not subject to the grievance procedure.

(d) Assignments to winter or summer session teaching will be made among those qualified according to the priorities designated in Section 4. If there are more qualified **Full-Time** Faculty Members in any priority than there are positions available in that priority, the choice among the qualified **Full-Time** Faculty Members in that priority will be based on the Faculty Member's length of service with the District. Where the length of service is equal, the selection will be determined by highest placement on the seniority list.

(e) If there are more positions in a given division available than there are qualified Full-Time Faculty Members who desire to teach, and if currently employed Part-Time Faculty Members in that division are qualified for those positions, those Part-Time Faculty Members who have been continuously employed for three (3) semesters or more shall have priority.

(f) The Dean may offer the assignment to any other qualified person if the position remains unfilled after the procedures of this Section have been complied with.

Section 3. Adjustments

(a) It is understood that the list of classes to be taught in the winter or summer session is a tentative list, that classes may be dropped or changed, and that changes in assignments must be made to accommodate those situations. It is also understood that most assignments will be full assignments as defined below in this section, but that some assignments will be partial either due

to original planning or later adjustments. For the purposes of assignment distribution in the winter or summer session and establishing winter or summer session priority under Section 4 or Section 5 of this Article, a full teaching assignment equivalency shall be eighteen (18) hours per week. A partial teaching assignment of ten (10) or more hours per week for six or eight-week sessions or twelve (12) or more hours per week for five or seven week sessions shall count as a full assignment for the winter or summer it was incurred. A partial teaching assignment of twelve (12) or more hours per week for five or seven-week sessions shall count as a full assignment for the winter or summer it was incurred. A partial teaching assignment of less than ten (10) hours per week for six or eight-week sessions, or less than twelve (12) hours per week for five or seven-week sessions, shall not be counted as a winter or summer assignment except when such assignment combined with a partial assignment for a previous winter or summer within a three (3) year period exceeds fourteen (14) or more hours per week. In such a case, the combined partial assignments totaling more than fourteen (14) or more hours per week shall be counted as a full session teaching assignment for the most recent session in which the Full-Time Faculty Member has taught.

(b) In the event that a Faculty Member's winter or summer session class is being considered for cancellation, the Dean/Associate Dean/Director will first notify the affected Faculty Member of any changes to location, modality, or time that could prevent cancellation. If such changes would prevent cancellation and the affected Faculty Member consents to these changes, the Dean/Associate Dean/Director and Faculty Member shall mutually agree to and execute those changes. If, however, the class is still canceled, the Faculty Member will not displace another Faculty Member (full-time or part-time). Each division, by majority vote of the Full-Time Faculty Members in the division, will establish the rules that division will apply in the event that a Full-Time Faculty Member's winter or summer session class is canceled. Such rules will determine if a Faculty Member with a higher priority position may displace another Faculty Member with a lower priority position and the procedures that are to be followed if displacement is to be permitted. Any such decision by a division may be changed by vote of the division's faculty. If displacement is permitted, Part-Time Faculty Members will be displaced prior to Full-Time Faculty Members.

Section 4. Winter Session Priority Schedule

The following schedule is based on a consideration of winters eligible for assignment to winter session teaching and the number and sequence of winters taught (or otherwise employed by the District at a rate of compensation based on the regular salary schedule) during the past three winters. For Full-Time Faculty Members, eligibility for assignment to winter session teaching begins with the first winter following their initial service as contract **Full-Time** Faculty Members. Leaves of absence shall have no effect on eligibility for winter session priority. All winter classes taught by a **Full-Time** Faculty Member, regardless of the division in which such classes are offered, shall be counted in determining winter session priority.

Section 7. Librarians

Each year that the District has a winter or summer session that requires normal library services, at least three (3) Librarians will be assigned each scheduled day of the winter or summer for the winter or summer session period. Selection of the Librarians will be determined by the priority system of Sections 2, 4 and 5 of this Article. ~~**The three Librarians of record for any summer or winter session shall be the three librarians who have worked the most total days for that term; any tie shall be resolved by the priority system of Sections, 2, 4 and 5 of this Article.**~~

Section 8. Cooperative Career Education

The college may offer Cooperative Career Education classes during the winter or summer sessions covered by the current Agreement. Compensation will remain as stated in Article 10, Section 16. (See Article 10, Section 16(c) for maximum number of students during the covered winter or summer sessions.)
