

6 **ARTICLE 9**
7 **WINTER AND SUMMER SESSION INSTRUCTIONAL ASSIGNMENTS**
8

9 **Section 9.1. Procedure**
10

11 By the 6th week of instruction during the fall or spring semesters, respectively, the Deans
12 of the instructional divisions will provide Full-Time Faculty members who desire to teach,
13 a tentative schedule and the opportunity to submit their requests for winter or summer
14 session teaching assignments. The Deans of the instructional divisions will review these
15 requests and will make tentative winter or summer session assignments to Full-Time
16 Faculty members in their divisions based on the priority position of Faculty members in
17 accordance with Section **9.2** of this Article.
18

19 **Section 9.2. Priorities**
20

- 21 (a) Full-Time Faculty Members shall have a preference in priority order in choosing among
22 winter and summer session classes which are to be offered (which they are qualified to
23 teach) and among the times the classes are offered.
24
- 25 (b) Each Dean shall determine, among those Full-Time Faculty Members by department in
26 the division who request a teaching assignment during the winter or summer session,
27 those who are qualified by virtue of prior experience and training for such assignments.
28 For purposes of this Article, a Full-Time Faculty Member will be considered a member of
29 that department in which the Full-Time Faculty Member teaches the majority of their
30 teaching load, including overload, during the then-current academic year. No Full-Time
31 Faculty Member will earn priority in more than one (1) department; however, priority in
32 one department does not preclude a teaching assignment in another department.
33
- 34 (c) (1) WINTER SESSION: A list of Full-Time Faculty Members by department in the
35 order of their current year winter session priorities will be prepared and
36 distributed to all the members of the division by each Dean within twenty (20)
37 working days after the beginning of the spring semester.
38
- 39 (2) SUMMER SESSION: A list of Full-Time Faculty Members by department in the
40 order of their current year summer session priorities will be prepared and
41 distributed to all the members of the division by each Dean within twenty (20)
42 working days after the beginning of the fall semester.
43

44 Any problems respecting the equitable application of departmental designation for winter
45 or summer session priorities will be resolved by the concerned Dean and the President
46 of the Federation, or designee, prior to June 1st for winter session and December 1st for
47 summer session. The decision of the Dean and the Federation President, or designee, is
48 final and binding and is not subject to the grievance procedure.
49

- 50 (d) Assignments to winter or summer session teaching will be made among those qualified
51 according to the priorities designated in Section **9.4**. If there are more qualified Full-Time

Faculty Members in any priority than there are positions available in that priority, the choice among the qualified Full-Time Faculty Members in that priority will be based on the Faculty Member's length of service with the District. Where the length of service is equal, the selection will be determined by highest placement on the seniority list.

- (e) If there are more positions in a given division available than there are qualified Full- Time Faculty Members who desire to teach, and if currently employed Part-Time Faculty Members in that division are qualified for those positions, those Part-Time Faculty Members who have been continuously employed for three (3) semesters or more shall have priority.
- (f) The Dean may offer the assignment to any other qualified person if the position remains unfilled after the procedures of this Section have been complied with.

Section 9.3. Adjustments

- (a) It is understood that the list of classes to be taught in the winter or summer session is a tentative list, that classes may be dropped or changed, and that changes in assignments must be made to accommodate those situations. It is also understood that most assignments will be full assignments as defined below in this section, but that some assignments will be partial either due to original planning or later adjustments. For the purposes of assignment distribution in the winter or summer session and establishing winter or summer session priority under Section 9.4 or Section 9.5 of this Article, a full teaching assignment equivalency shall be eighteen (18) hours per week. A partial teaching assignment of ten (10) or more hours per week for six or eight-week sessions or twelve (12) or more hours per week for five or seven-week sessions shall count as a full assignment for the winter or summer it was incurred. A partial teaching assignment of twelve (12) or more hours per week for five or seven-week sessions shall count as a full assignment for the winter or summer it was incurred. A partial teaching assignment of less than ten (10) hours per week for six or eight-week sessions, or less than twelve (12) hours per week for five or seven-week sessions, shall not be counted as a winter or summer assignment except when such assignment combined with a partial assignment for a previous winter or summer within a three (3) year period exceeds fourteen (14) or more hours per week. In such a case, the combined partial assignments totaling more than fourteen (14) or more hours per week shall be counted as a full session teaching assignment for the most recent session in which the Full-Time Faculty Member has taught.
- (b) In the event that a Faculty Member's winter or summer session class is being considered for cancellation, the Dean/Associate Dean/Director will first notify the affected Faculty Member of any changes to location, modality, or time that could prevent cancellation. If such changes would prevent cancellation and the affected Faculty Member consents to these changes, the Dean/Associate Dean/Director and Faculty Member shall mutually agree to and execute those changes. If, however, the class is still cancelled, the Faculty Member will not displace another Faculty Member (full-time or part-time).

Section 9.4. Winter Session Priority Schedule

The following schedule is based on a consideration of winters eligible for assignment to winter session teaching and the number and sequence of winters taught (or otherwise

employed by the District at a rate of compensation based on the regular salary schedule) during the past three winters. For Full-Time Faculty Members, eligibility for assignment to winter session teaching begins with the first winter following their initial service as contract Full-Time Faculty Members. Leaves of absence shall have no effect on eligibility for winter session priority. All winter classes taught by a Full-Time Faculty Member, regardless of the division in which such classes are offered, shall be counted in determining winter session priority.

Section 9.5. Summer Session Priority Schedule

The following schedule is based on a consideration of summers eligible for assignment to summer session teaching and the number and sequence of summers taught (or otherwise employed by the District at a rate of compensation based on the regular salary schedule) during the past three summers. For Full-Time Faculty Members, eligibility for assignment to summer session teaching begins with the first summer following their initial service as contract Full-Time Faculty Members. Leaves of absence shall have no effect on eligibility for summer session priority. All summer classes taught by a Full-Time Faculty Member, regardless of the division in which such classes are offered, shall be counted in determining summer session priority.

Section 9.6. Study Abroad

- (a) Full-Time Faculty Members chosen for Study Abroad winter or summer assignments cannot be displaced by other Full-Time Faculty Members who have higher winter or summer priority.
- (b) Any winter or summer class taught by a Full-Time Faculty Member for Study Abroad, regardless of the Division in which such a class is offered, shall be counted in determining winter or summer session priority.

Section 9.7. Librarians

- a.** Each year that the District has a winter or summer session that requires normal library services, at least three (3) Librarians will be assigned each scheduled day of the winter or summer for the winter or summer session period. Selection of the Librarians will be determined by the priority system of Sections 2, 4 and 5 of this Article.
- b.** **Prior to the Winter and Summer intersession, the Dean or designee shall calculate and post work days available during the intersession from which full-time librarians can choose. The department shall maintain and internally post a list of**

full-time librarians in a rotation order established by the full-time librarians. New full-time librarians shall be added to the bottom of the rotation list upon hire. When a librarian reaches the top of the rotation in the number one slot, such librarian will have first choice in picking days to work in Winter or Summer. The librarian in the next slot will then have an opportunity to choose work days in Winter or Summer until all work day shifts have been filled.

- c. The number of days available to those selecting to work Winter or Summer is determined by taking the total number of days in the term multiplied by 3 (the number of librarians required to be on duty each day) and divided by the total number of full-time librarians.
- d. Before assigning any part-time faculty librarian to work the winter or summer intersession, the supervisor will offer any remaining days not selected by the full-time faculty librarians after the initial rotation described in Section 9.7a-c to all full-time librarians one more time before seeking part-time librarians to fill those spots.

~~Section 9.8.~~ Cooperative Career Education

The college may offer Cooperative Career Education classes during the winter or summer sessions covered by the current Agreement. Compensation will remain as stated in Article 10, ~~Section~~ 16. (See Article 10, ~~Section~~ 16(c) for maximum number of students during the covered winter or summer sessions.)
